Re: Michael R. DeLuca

My Story, Chapter 2

Dear Mr. DeLuca:

I recently read Chapter 2 of your story, as it appears on Galaxy Facts blog. I demand that you correct the erroneous impression you publish in the next to last paragraph of Chapter 2. I demand that you immediately replace your misleading paraphrasing of the District Ethics Committee's letter of April 27, 2005 with the Committee Secretary's actual words.

Your paraphrasing gives the false impression that the committee met, listened to you and made findings of fact. Not true. You state that it dismissed your complaint. Not true.

The Committee did not hear your complaint. It was declined. It did not decide that "even when proven, his misstatements are not considered unethical"; rather, the Committee Secretary and lay member "concluded that the facts stated in your grievance, even if proven, would not constitute unethical conduct or incapacity." (Emphasis added.)

You have done, in Chapter 2 of your story, Mr. DeLuca, exactly what you wrongly accuse me of doing. You have made a false statement bearing on my integrity and professional reputation. I trust that you will correct Chapter 2.

Very truly yours,
